

TAKE CARE WHEN USING ELECTRICITY

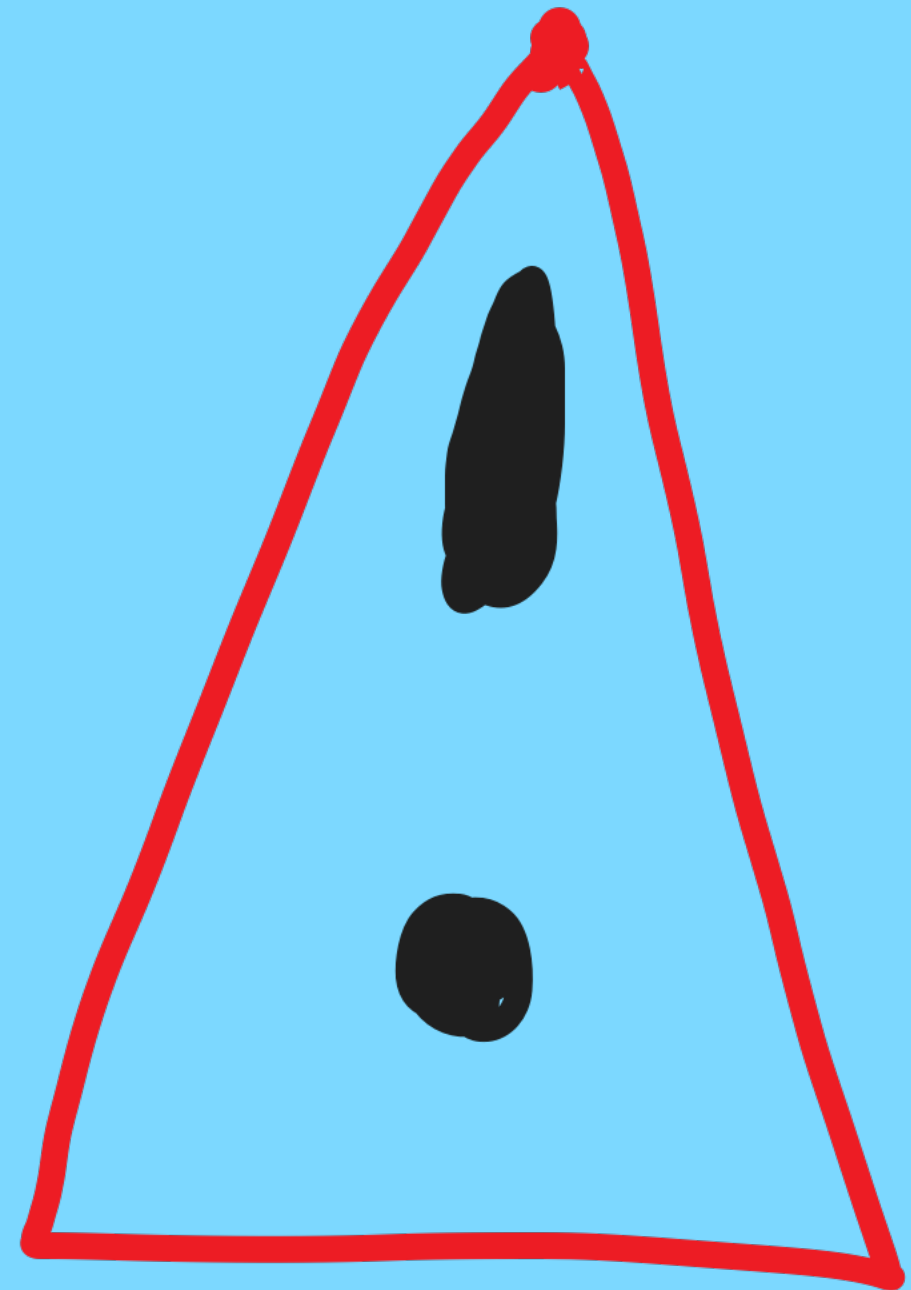

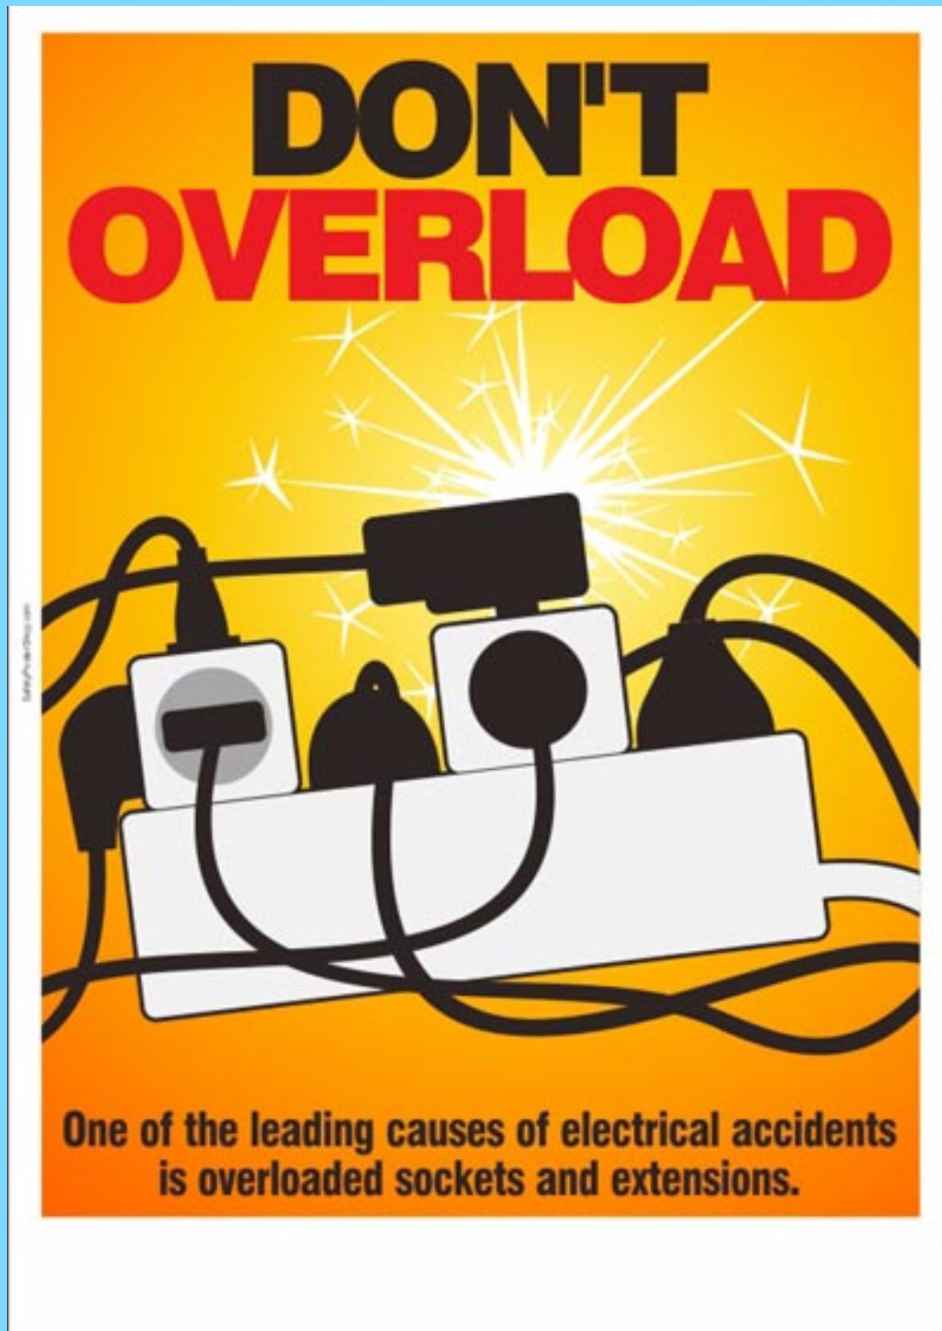

IT HAS THE
POWER TO **KILL**

Take it from homer
kids 🧔

Don't over
load sockets

Do not
leave
electronics near
any type
of liquid

Don't
leave a
charger
plugged
in near
your
head

or you will
die

If you don't be careful around electrical things there will be consequences in life for example lose hair, die and house might burn down
