

# Electrical Tips On Keeping Safe!

Don't leave hair straighteners or curlers on if on its own!

Don't overload sockets!

Don't leave  
charging phones  
or tablets near  
your head

STOP THINK!

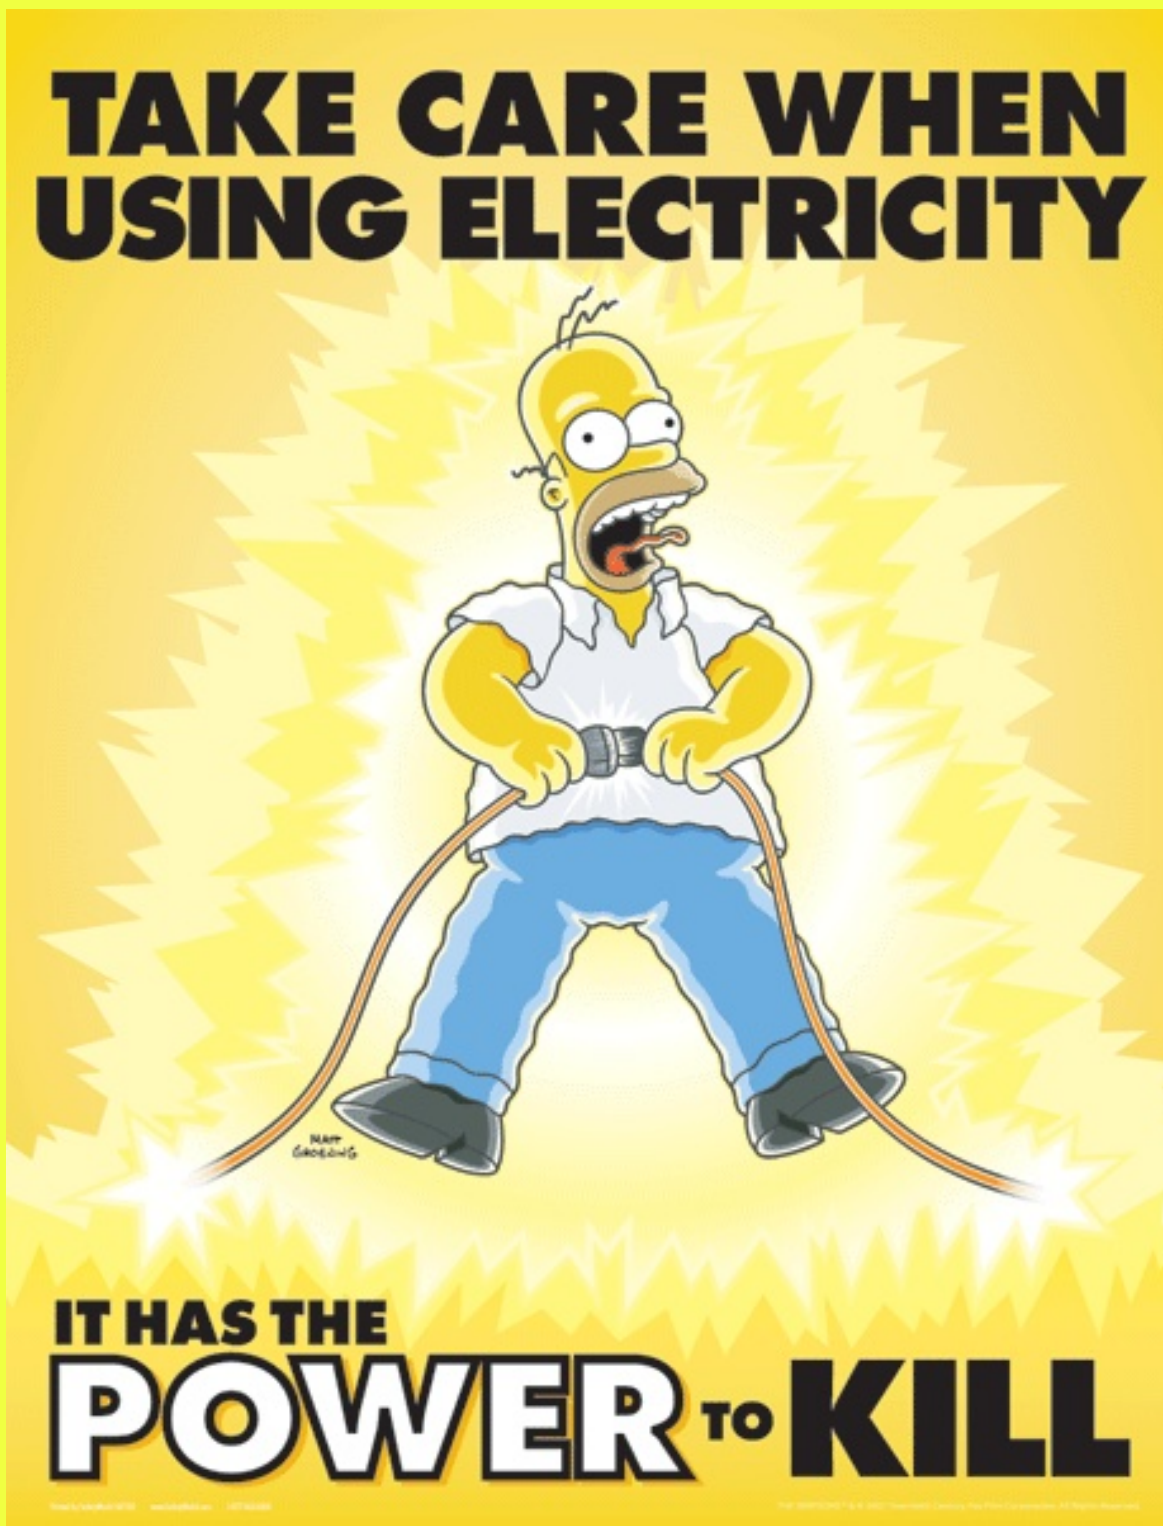

Warn family or friends about this

Stop Think

Stay Safe

You Will Regret It

He's right you will

Don't  
turn out  
like  
Homer

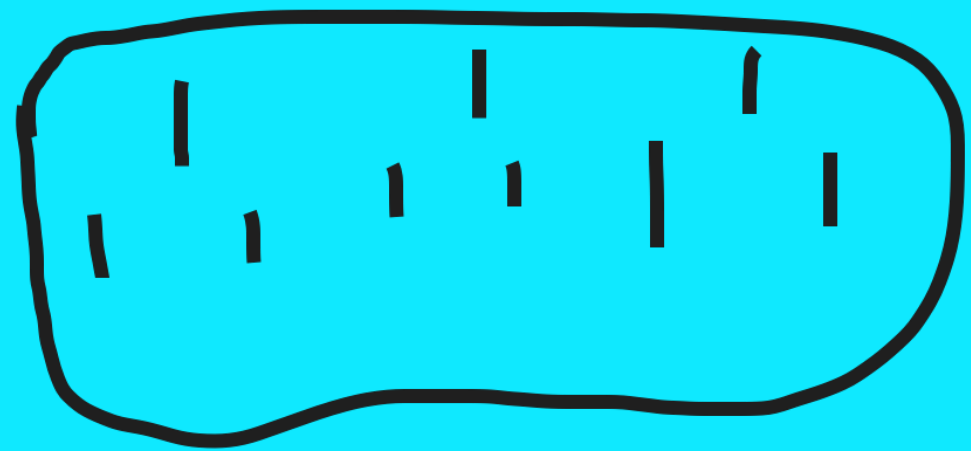

Stupid  
Homer

Don't leave hair  
straighteners and  
curlers on when  
your not in the room

Don't leave electronics near water

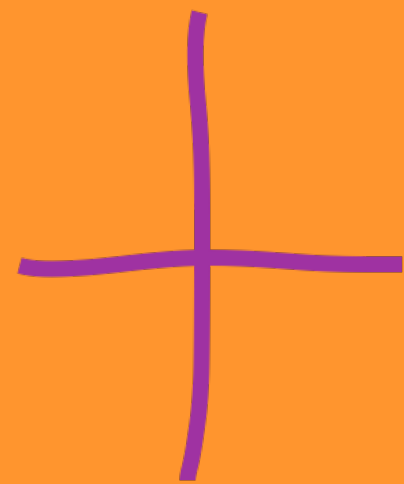

Don't fly kites near telegraph poles

Don't let babies or wet hands touch sockets 😱

fork

high risk of 😞
